

Pumpkin Soup Receipt

3 cups of pumpkin puree

3 ½ cups of milk*

2 Tbsp butter

Salt and pepper to taste

2 Tbsp brown sugar

Thinly sliced bread

Directions:

1. Combine pumpkin puree, milk, butter, salt, pepper, and sugar in cooking pot.
2. Cook over medium heat until soup boils. Let boil ten minutes, stirring occasionally to prevent soup from burning and from boiling over.
3. Once it has finished boiling, take off heat and pour over thinly sliced bread in each individual bowl.

*May need more milk if a thinner soup is desired.
